The wonderful world of comics, manga & graphic novels

can help kids and teens achieve much higher standards in their general creative writing and visual artistry. **ACAS** has supplied a range of fun and enlightening workshops and courses to many schools, which include names such as NUS School of Mathematics, Raffles Institute, St Joseph's Institute, St Joseph's Convent, Dunman High School and many more. Not forgetting the mature enthusiast, it's our aim to provide a serious creative education while having the greatest of fun! **Enrol today!**

Certificates issued when major milestones are reached - Bronze, Silver, Gold, Platinum.
Pay for 3 months in advance on any course and enjoy 10% Discount off all ACAS fees and products, plus FREE Ordinary Membership worth \$80!
